

KNOW WHAT YOU ARE FOR MASTERMIND

WHAT DO WE WANT TO BE KNOWN FOR? WHAT ARE WE KNOWN FOR?

In this mastermind, you will learn proven strategies that will help you shrink the gap by becoming FOR these 4 Groups:

- FOR the Customer
- FOR the Team
- FOR the Community
- FOR You

When you shrink the gap, something powerful happens:

When what you WANT to be known **FOR** is what you're known **FOR**, you create vision-carriers for your organization. And they help grow the business **FOR** you.
